PRO New England Award Team Partners

Other PRO member companies that worked on the project may be included as Team Partners. Team Partners are not entrant employees. There is a separate \$100 entry fee for each Team Partner per entry. Team Partner members are other PRO member companies that provided goods or services to complete the project. Team Partner members' details will be collected during the entry process on this Team Partner Entry Form, which should be uploaded to the Award Force entry portal. Non-PRO companies can be submitted in the entry portal, which will help us recruit prospective members. If the company decides to join, it will then be eligible to participate as a Team Partner.
